

VISION | To be known as the most successful and welcoming hockey club in Canberra and the region.

PURPOSE | We are a welcoming and inclusive community that fosters connection, respect, effort and performance, and is brave when faced with opportunities and challenges.

Opportunity

to deliver opportunities through hockey so members thrive on and off the field

- A suite of participation opportunities through HACT competitions
- Pathways to those seeking and capable of playing CL / Supers
- Opportunity for all players to improve their hockey skills
- Targeted development programs – players, coaches and umpires
- Effective promotion of coaching and officiating opportunities/programs
- Programs resourced with support from partners (e.g. HACT)

Experience

to meaningfully engage every member and provide a positive hockey experience

- Bring members together - team activities and club events
- Spark a passion for hockey and sense of St Pats community
- Drive a culture of optimism and ‘giving back’ to St Pats
- Drive a winning CL culture
- Mentoring program that engages identified members
- Focus on retention and recruitment of members

Leadership

to set high standards and operate in accordance with good governance practices

- Multiple streams of income maintained
- Make hockey more affordable
- Effective volunteer development and management
- Effective and unified Executive and Committees
- Effective club governance, risk management and complaint handling
- Communication framework updated and rolled out
- Lived promotion of Hockey Codes and Standards.
